The Portable Tactical Repeater and Interoperability Product Line

Weight: 75 Lbs.
1440 Case Dimensions 19.70"L x 12.00"W x 18.00"D

PTR-UPS75-30

Portable Uninterruptable Power Supply

The KR Nida PTR-UPS75-30 has been designed to allow the rapid deployment and re-deployment of an uninterruptable power supply with an integrated 75 amp maintenance free battery, 30 amp metered power supply/battery charger, solar charger regulator, internal circuit protection, fuse block, three 10 amp internal power jacks, one external weather resistant 20 amp power jack and one weather resistant 120VAC power input jack. Charge and low-battery LED circuitry is also included.

This system will power the KR Nida line of portable tactical repeaters, and interoperability units for many hours or even days depending on the power consumption required.
